## Chantelle Boucher

## Milton, Ontario, Canada

My name is Chantelle Boucher. I am an outgoing and humble person. I started in the modeling industry at 5 years old, but took a break as a teen. I got back into the industry going to a showcase in LA, then I walked for Brampton fashion week and a Paul Mitchell hair show. I have done many TFP shoots and now have been published in multiple magazines. I'm working hard to get published on covers and billboards and to work with more designers/producers. Along with my passion for modeling I am working on acting and on my beauty business.
